2008 SUBSTANCE ABUSE CONFERENCE TRAVEL AWARDS

If you've never been to an AMERSA conference, now is your chance!

32nd Annual National Conference
November 6 - 8, 2008
Washington, DC

2008 AMERSA National Conference

The Association for Medical Education and Research in Substance Abuse (AMERSA) has opportunities for health professionals to learn about alcohol, tobacco and other drug issues. AMERSA has *NIAAA funding to underwrite a limited amount of travel/lodging for health professionals to participate in our annual conference. (*based on annual approved funding)

Full or partial awards are available for up to 15 new attendees to attend the 2008 AMERSA National Conference.

Applicants:

- (a) Must be health professional educators or researchers presently conducting alcohol related research or interested in becoming involved in the field
- (b) Must currently provide alcohol-related treatment or training to underserved populations, particularly Latinos, African Americans, or women

Preference will be given to:

- (a) Latinos, African Americans, and Women
- (b) Health professions that AMERSA is targeting for increased participation (for example, but not limited to: nursing, social work, psychology, dentistry, allied health professions)
- (c) Individuals with the ability to disseminate knowledge and skills from the national meeting to their students, trainees, residents, or interns, who provide services to underserved populations

Awardees must commit to attend the 3-day conference.

Please complete the application and submit along with your NIH biosketch or curriculum vitae.

Applications may be submitted in one of two ways: through electronic online submission or mailed to:
